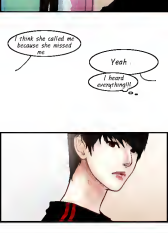
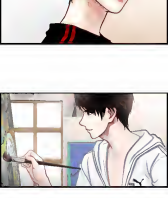
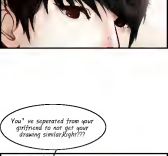
I want to have it!!!
I'll have enough space after the contest!!!

Every problem will be over after I get in to the contest!!!
Let's just think about that now...







Then Just in case, What are you gonna do if your drawing's still similar???

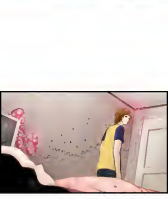
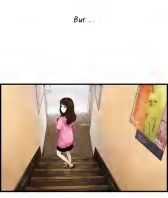
Hey fella!Someone was crying to have a painting while you were away!!!
Ha ha! Cool!
Hmm
I went to Jerso doing. I went there to judge few paintings for my friend's contest.
Is David's in the wardrobe???
Translator's note
Jerso also is a popular tourist spot in Seoul. It is mostly the only tourist spot in Seoul that has snow and gathering mountains, and people from all around also come to Jerso to see the snow. Jerso is also famous for its beautiful nature. There are also a lot of famous TV dramas that have been filmed in Jerso. For example, "Autumn Tale" which is the most famous TV drama that was filmed there.
What the, There's a fungus in my house.
The fridge is empty.
And there's only potatoes inside the rice cooker. How did she lived here???
Hey!!Make up!!You' re gonna get cold!!! Change your cloths first!!!
She's totally out of her mind.
I' ve putted all the things in the star. There' s no room to put it here!!!
I' ll go!! get yourself washed and sleep!!And don' t catch cold!!!
I did told you to change your cloths first.
Come on!!It' s just a contest!!! I' ve failed the entrance test three time but I' m still here. Don' t worry!!
Shut up!What do you know!!!How I don' t have any place to draw!!!
Hey,Don' t worry!!! There' s a will. There' s a way.
Hey,Sorry!!!
Stop acting like this!!!You' re just bugging me!!!Go away!!!You are a pain in the ass!!!
Just go!!!



Wow!!How can a girl's room be so dirty???!! !!
Clean it up for you!!!!
What???!!All!!Don't touch anthing!!!Touch it and I'll kill you!!!
!!!!!!
Hey!!!Leave that there!!!Don't touch that!!!



What a bad luck I have...

I think it's because there's gap between your old drawing and now one
And your recent drawing's style is little too unstable to exhibit just that

It's easy to say...

But...

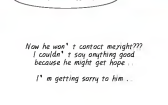
I can't draw right now...

Scott moved all the things to here ..

I couldn' t say thank you ..

Now he won' t contact me:right???
I couldn' t say anything good because he might get hope .

I' m getting sorry to him .



I should say thanks when I meet him again ..

I should say thanks ..

Oops.. I forgot to lock the door!!!

Oh,Hi!!!

Where were you??!Aren't you sick???

What the.. Didn't you send you were? I contact me??!How did you even get here???

Well.. I was little worried. What kind of girl is so heavy when knows the door open!! I was more surprised than you because you were gone!!!

I clean it up a little

.....

Well!You can't do a large scale painting but you can draw average drawings

I never knew you were so small!You were so confident when you was my rodar!You keep making me worried because you act like this

I threw away the bed! just left the mattress!You can just put it up when you're drawing

It's next to the door!You can just put your material some place else and clean

*****

You don't have to thank me

Can you here what he' s saying???

Yes. But I don' t know which language it is.
.....

It know something was fishy when he told us we don' t have to work today and we can go outside and hang around all day long
Maybe he' s picking the laziest one and trying to sell it to them fraudulently!!!

An exhibition offer came from the Shin Hwa Gallery in china.

*21 mean "Myth"

2 month later
They want to have an exhibition with your drawings
I
We alone???

Well,You and
He also liked recent drawings of David.
Ha" ll decide it after he see the reaction of the exhibition

But Hun~i" , something i" m worried about' few days ago, I heard that a famous gallery' s curator as a judge
I saw a portfolio thereof course I couldn" t see the name because it was a contest

The a re consultThe is not type of drawings that I usually draw. The type of drawing" s training is really importantWhile private exhibition might be normal and we" re going rather a heavy lesson!!!

.....

.....
I want to see that drawings

For what???
We might loose some money because of that!!!

We have enough drawings now,so I have to get ready for the exhibition fast

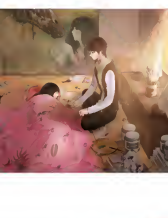
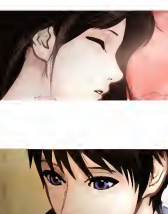
It's such a precious affinity that our drawing get similar by drawing each other. .

I wasn't too sure. .

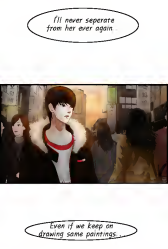
If I could still be right next you even if our drawings are getting similar. .

What's more precious for you. .





If she's missing me



I'll never seperate from her ever again.

Even if we keep on drawing same paintings.

Sure if we're gonna have a fight over because of this!

Gosh! This is so hard

Why should we prepare for David's Exhibition!!!

Hey,Gramp

Why is it a problem that David and that scary girl's painting is same??

Hmm Let's put it this way!You are planning to buy a paintings to hang in your home and you find 2 same paintings

Are you gonna buy 2 of them??

No,Only one

You see???Then those paintings's price will go down!The market value have gone down!Because there's 2 same paintings!!!

Hmm

You know the story of Rodin and Claudel???They loved each others but when Claudel started to work by herself,Rodin interrupt her until she was sent to mental hospital for 30 years

He couldn't let Claudel to make sculpture which is similar to his.

In paintings

There can't be 2 artist in 1 place.

But isn't it possible???Even if they're far away from each other,They can think same and draw same paintings

I usually was not interested in drawing anything but we two now I envy them a little

Hey!!!Where have you been???

You bastard . You just come right after all the work is done!!!

Huu!!!

.....

Where you going to Winter's home???

Yes!

To eat dinner together

Oh.

If she's with David,Then I should visit her the next time.

Yeah.

What's that???Did Winter gave you that???

She once drew me picture. I wonder when she'll finish it and show it to us???

.....

Good bye!!!See you in school!!!

Vicky

Yes?

?

This painting . Is you.

Take it

Even if don't remember what dream I had...

Hmm. Would anyone tell me the reality? want to go now.
Don't go
We have to prepare all the exhibition for you
Stay a little longer
Please don't go

So what's your future plan???
Right to return!
I want to draw with Wonsu again but there isn't any space for 2 at us to draw
And I'll try much as I can to not draw the same painting

I really wanted to open an exhibition and show it to David.

Not just Vickey Scott
Amanda Jessy
David

Does this mean I'll be able to open an exhibition soon???

No..
This is already too good for me..

You're opening an exhibition,right??? Congratulations

I'm looking forward to see your paintings! promise I'll visit the exhibition
What???Youre having an exhibition??? Congradulation!!!
Really??? Congratulation

WOW
I was pretty surprised that the artist was a young girl like you
Where's that pamphlet???

What is he talking about???

By looking at the name on the pamphlet, I thought you were a man!!!

Do you have another one???
Yes!Wait
Living Memory

DAVID TELSON
Um.. Is there anything wrong???

WWinter That painting
Vickey,I have to go!I'm sorry

Hey!!Winter!!! Wait!!!
I'm sorry I'll explain this later..

Winter!!!
Hey!!

What

Was he thinking..

Memory
DAVID TELSON

While drawing these paintings???

But if you never draw, David...

Then...

Try to not draw your Lovely one.

So the painting is from the other artist.

I'm sorry but I have to delay this purchase! First I have to see the reaction of the exhibition first.

Yes.I'm sorry

No,I've misunderstood this and

Yes.Then I'll call you back later.

Oh my gosh She was so happy her painting was sold. How could this happen???

Gosh I really wish these two guys will together.

Um

Oh?<?

Excuse me, May I see that painting also???

Oh,sure.

I want to see it...

Hey!!!You're not allowed to come here!!!It's not real.

Huh!?

Your Paintings

Hey!Can you stop here

I'm too tired!!

I missed you...

David...

I've endured to see you even if I wants to because the paintings might get similar...

I thought I've endured it well...

At then...

We were actually together...

I guess drawing
Is not something I can
simply draw different things
because I want to...

Because you can't lie or hide
your heart when drawing.

Just like mine or your paintings,
My heart is same as yours.

Idiot.
You're smiling like
an idiot when
you're drawing.

David,

What are you drawing now???

I miss you...

You...

And your heart...

Long time no see

I just came back from seeing your painting

Why???

I went there there to buy it but it's too expensive!!Since I'll be the only buyer,lower the price!

Hm.. It barely cover the prices to draw that!!!

David's not here.. He went out to find new subject to draw.

Well think I guess I have to go to find.. The new subject..

But You will be drawing the same subject with David again

Yes...

Maybe...

If I draw what I want to draw, It will end up meeting each other again..

I only could think about there now...

Where I alway waited for David...

I'm really sorry to say this to David but drawing is more important to me at that time.
He left me because of that and no matter I don't regret it or grudge about it
But

Why are you giving this to me???
Yeah.. I don't know why she gave that painting to me.. I told her to give me the painting which I can sell expensive in the future but she gave this..
I think you would like to have one of her paintings so I'm giving it to you

.....
I really can't understand her.Why did she gave that painting to me???
And I'm trying to organize my feelings so having this painting will make me just uncomfortable..
.....
Scarf,Pain, so breaking a person's heart..
I don't know why she gave that painting to you. But,
How can I take what she gave to you???
Do you think I'm that cheap???
Even I'm gonna organize my feelings to you so having this will make me uncomfortable as well...
So

Now I'm the bad one.

That drawing make me think about her so I can't sleep

Darn

What is she doing now???

Thank you. Come again!!

By looking at Winter and David I really wish I required paintings . I want to draw I should have chose painting/Art design

I wish I can do double-major but I don't have time because of this part-time job . Maybe I should find another job more related to drawings

What are you doing at this late hour???

Umm . I had few things to think. What's that???

Oh!This???

It's her paintings!Nobody was buying it so I bought it cheaply

What's wrong with you too???Youre not trying to make me feel really sentimental about this by bringing that on you???

No! just wanted to try something with this.

?

If you look it like this

Don't you think these two connect???

As

If they were a one whole piece in a first place

.....

Value of paintings

Scarcity

Who care about that???

To me.

does my face looks so ugly??? 하얀 피부 얼굴...

I just wish I can draw like them

I felt if I keep waiting here drawing,
He'll appear out of nowhere...

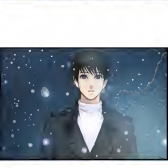
He really came here...



The real David...

He appeared in front of me...

Reaching out his hand...

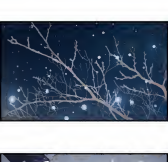
Just if I'm a little girl...

He touch my head...

I think...
You'll look same when you become a grandma. You look same when you were a child.
So when I first met you again, I thought I've come back to the past!!!
Shut up

So since then I went to different places to find a new topic.
To feel and see different things
To draw something different than you

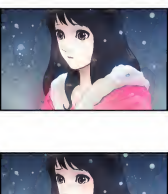
.....
Well drawing isn't some something you can simply draw differently because you want to because you can only draw what you want to



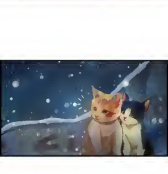
What are you talking about??? you're already an artist!!! he one who'll draw far better one than now

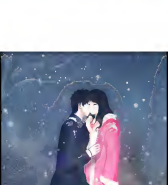
The most anticipating artist to me.

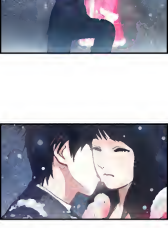
Now,take it!!!



Artist Winter Blossom!!!







Let's draw together! I want to tell everything by drawing

Whatever Delighting you know is drawing!!!

What were you expecting!!! Mudo.

You will learn how to draw as I do.

Don't you remember I punched you the last time you did this???
I do.
Are you gonna punch me again???

What if I do???

I won't run away this time

Then can I punch you whenever I want to???
Um

Dazed
Yes???
Isn't there something every man say at this situation???

I want to draw you...

Wow . Fast recovery
I didn't really mean it

Talk to each artist while I take a look at their paintings.

Hey Amanda!!! Long time no see!!!

How's your work going???

Don't ask!! It's so hard these day. I even had to work on weekend so I couldn't come to the opening ceremony. I heard you're getting popular these days!!!

Really?You're getting handsome everyday!!!How's everything???

Don't say that. All the effort I put in for 10 year later.

But still,that's not that big. All the effort I put in for 10 year later.

I want to see Winter. Shall we call her???

What is the damn now???

Oh!Vicki is going to Hong Kong today!!! should call him later

Wow!I'm so jelous. When can I go out of the country???

Actually,he's more jelous of us!!!He send us want to draw another person so he asked me to introduce any person to draw!!!

Huh!That's so weird.

Oh!!!

Any idea???

You know Vicky,right???She asked me to have a part-time job related to Art!!!

Then introduce her to him after the exhibition!!!

Wait!The thing about Vicki Even if he bought my painting

What should I say???
